

# Fritz's Story

by Ceálán

**"Time for a walk "I said but all Alan said was "Good boy Fritz". Eventually Alan said "time for a walk". So Alan and I went for a walk across a bridge. I saw a garden. Alan walked over to the gate but there was a sign and it said 'NO DOGS'. So Alan turned around and said "Come on" so instead I ran into the garden and ran and ran down the path. Alan ran after me but he fell. I ran up beside a hedge and started digging. A guy came up and turned me into a Duck 'Quack Quack'. I flew to the pond. Alan came over and picked me up. I took his hat and flew back home. I landed in the house. I turned back into a dog. I heard a knock at the door. It was Alan.**

**THE END**
